

# Peter Feaman

for District 87, Florida House, Republican

**Conservative values, real world experience and effective leadership.**

**Endorsements:**

**Peter picks up five more key endorsements.**

- Boca Raton Vice-Mayor Susan Haynie
- Boca Raton City Council Member Dave Freudenberg
- Highland Beach Vice-Mayor Mike Hill
- Boynton Beach Vice-Mayor Ronald Weiland

**Education:**

Peter's agenda is to stress the **4R's: "Reading, 'Riting, 'Rithmetic and Right From Wrong!"** The foundation of any civilization is how well it educates its children. Peter, having raised three children, will fight to increase teacher pay, reduce classroom size, cut the bureaucracy and put the savings back in the classroom.

**Healthcare:**

Florida has an aging population that requires the best possible medical delivery system. Many seniors don't have adequate coverage: skyrocketing medical malpractice rates are causing hospitals to cut essential procedures and forcing many specialists to go bare. Fears of lawsuits are causing many Doctors to administer unnecessary tests just to protect themselves.

Peter knows we must act now to avoid a full scale crisis. Peter will fight to **contain healthcare costs and maintain quality of service.**

**Feaman For Florida's Future!**
